

SIMPLE WAYS TO MAKE THE HEALTH OF GAY MEN A PRIORITY

By: The Gay Men's Health Equity Work Group (GMHE)

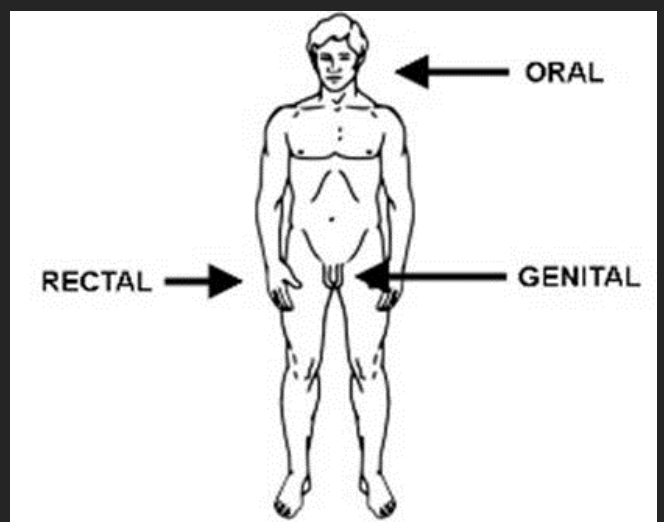

GMHE is a collaboration of members from NCSD and NASTAD with expertise in the sexual health of gay men/men who have sex with men (MSM).

TAKE CHARGE: GET SCREENED

Screening **at least** annually for sexually active gay men/MSM at sites of exposure regardless of condom use.

Every 3 to 6 months if at increased risk.

1
